

**REMARKS**

This case has been carefully reviewed and analyzed in view of the Official Action dated February 10, 2004.

The Examiner has stated that this application is in condition for allowance except for the formal matters. Claims 1 and 2 have been canceled and replaced with new claims 3 and 4 which are rewritten from claims 1 and 2 in order to overcome the objections raised by the Examiner. The applicant hereby thanks the Examiner for the correction of the claims.

The applicant has reviewed the prior art as cited by the Examiner but not used in the rejection and believes that the new claims clearly and distinctly patentably define over such prior art.

It is now believed that the subject Patent Application has been placed in condition of allowance, and such action is respectfully requested.

Respectfully submitted,
